

Bascom Palmer Library Collection Moved to Calder Library

The print collection of Bascom Palmer's Norton Library has been relocated to the second floor of Calder Medical Library. Norton's print ophthalmology books and journals are available to UM and JHS library users under the same policies as the Calder collection.

The library's electronic ophthalmology books, videos, and journals continue to increase and include the following recent additions:

[*Thieme's MedOne Ophthalmology Database*](#)

[*LWW Health Library – Ophthalmology Database*](#)

[*NANOS' Illustrated Curriculum for Neuro-Ophthalmology and Walsh & Hoyt's Clinical Neuro-Ophthalmology, 6th ed., Teton Data Systems, 2022*](#)
